To Whom it May Concern:

It is my pleasure to strongly recommend EMCARE for Working at heights training that I received from their Institution.

I am Mamorobela Sedakwa Samson, a Managing Director at MHKS Sherg Consulting. I have 10 years of experience working in the occupational health and safety in the construction industry.

During the Training, EMCARE displayed great talents in teaching the required knowledge pertaining to working at heights

It's not just the technical skills that impress me, however. EMCARE was a joy to work with.

If you need more information or specific examples, please do not hesitate to contact me at 076 066 4740. As a recommendation I would strongly recommend EMCARE as a leading training institution.

Sincerely,

Mamorobela.
